

Your task is to write a self-reflection about studying English. Write a short article (about 2 minute speech) about learning English.

The following ideas may help you:

- When, where and why you started learning English
- Your motivation for learning English
- Your aims in learning English
- Your progress in learning English
- Your satisfaction or dissatisfaction with your progress and why you feel so
- Your future career
- Other ideas that come to your mind concerning learning English
